

# HIGH SCHOOL

## STUDENT SHABBOS

Student *Shabbos* lived up to its reputation of providing excitement and fun at the same time that it offered inspiration and great learning opportunities. Thank you to the G.O. for this grand affair, to advisors **Mrs. Krakauer, Mrs. Goldstein, and Mrs. Rabenstein**, to our devoted faculty attendees, and to guest presenter **Mrs. Katina** from Monsey. The *Shabbos* will be long remembered for its unique flavor and enjoyment.

## STEM

STEM does it again! Thank you, **Mrs. Attar** and **Mrs. Markowitz**, for leading our students to a series of notable achievements, at **CIJE Innovation Day at American Dream Mall** in New Jersey, including Smart Cabinet by **Dassi Berry** and **Chana Leba Klainberg**, who won 1st place in Workplace Solutions as well as Best Pitch. Two other teams won Best Pitch making Bais Yaakov winners of pitch rooms: *Schedulizer* by **Nava Golburgh** and **Maytal Ehrlich** and *Bright and Brilliant Toybox*, by **Aliza Bloch, Ayelet Goldberg, Leah Blashka** and **Temima Grove**. Bais Yaakov competed against 600 other projects! Thank you to all the students who participated for your creative and ingenious projects!

## ZAVA ZONE

Zava Zone was once again a great hit and all who participated had a truly fun time. Thank you **Discovery** and **Mrs. Feldman** for making this happen and thank you students for bearing the bus problems and heat with your trademark good cheer and resilience. Kudos to all those who participated in the Chodesh Nissan program and thus became eligible for the trip. Thank you to **Rabbi Goldfeiz, Rabbi Aharon Tendler, and Mrs. Grove** for offering such stimulating learning opportunities to those who stayed behind and did not attend the trip.

## RECENT SPEAKERS

Recent speakers included **Rabbi Moshe Hauer**, Executive Vice President of the Orthodox Union, who offered **Ninth Graders** an orientation for their upcoming trip to Washington, D.C. and **Dr. Jakobovits**, Bais Yaakov Va'ad Hachinuch Chair, who spoke to the **Tenth Grade** about "*Torah and Science*", as relating to their *Chumash* studies this year in *Chumash Bereishis*. **Dr. Ring** spoke to the **Twelfth Grade** about *Dor Yeshorim*, and **Rabbi Schaffel** of Chicago introduced ideas to members of our faculty from his experience with troubled teens, through his *Lebeinu* organization.

## ZAREMSKI STEM LAB DEDICATION

On Wednesday May 29, our High School STEM Lab was officially dedicated by **Dr. Allan and Mrs. Karen Zaremski**, "In Honor of Their Grandchildren and a New Generation of STEM Students". The Zaremskis visited the lab and were truly impressed with the teachers and students, and their work. Dr. Zaremski spoke to the students about his appreciation for their ability to see their projects through, from theory and design to the creation of something tangible. Thank you to **Mrs. Ora Attar, STEM Faculty Advisor** and **Mrs. Simona Markowitz, STEM Assistant**. We are very grateful to Dr. and Mrs. Zaremski for their generosity and the opportunity this gives our students to be successful in the area of STEM.
