ROSH CHODESH NISSAN – PRESCHOOL CHAG HA'AVIV BABY ANIMAL VISIT

As the girls learned all about *Pesach*, *Chag ha'Aviv*, and the *Korban Pesach*, we planned a way for the girls to see and touch lambs, kids and even a calf. The girls also had a chance to feed the babies with a special bottle! We are so grateful to the **PTA** for arranging these incredible experiential learning opportunities.

LEARNING IS ALWAYS EXCITING IN PRESCHOOL

As the **Nursery** classes learn their ABC's, we recently celebrated the completion of a classroom project, as the girls learned the letter "Q" and had **Morah Marcia**, Phonemic Awareness teacher, craft their artwork into a beautiful quilt! Now their dolls will have a special blanket to use in the play area! The classes also toured the campus for their Umbrella Parade as they learned the letter "U."

PROMOTING PIRKEI AVOS

As we begin the homestretch to the end of the year, **Grades 1 and 2** are percolating with *Pirkei Avos* learning. **Mrs. Rivki Brecher**, *Limudei Kodesh* Coordinator, has introduced a new motivational program entitled **SHOP**, **SH**abbos – **O**pen **P**irkei Avos. It is designed to help children take advantage of the longer *Shabbos* afternoons and gain many *Torah* lessons. Children have their **SHOP** cards signed at home and are entered into a raffle. This is an opportunity for home and school to collaborate on building *derech erez* and *ahavas haTorah* in a short, fun, and uplifting manner!

HISPALLALI – NOSH2 TEFILLAH PROGRAM

Mrs. Rivki Brecher, continues to encourage all our *talmidos* to *daven* daily, **Not Only in School** but at **HOME** "2." The motto of the program is, "**Hashem** loves our *tefillos* – we don't want to miss even one day of *davening*!". Over this recent *Pesach* vacation, more than **200 girls** were able to say *Hispallalti-NOSH2*! Join us in promoting the value of *tefillah* every day!
